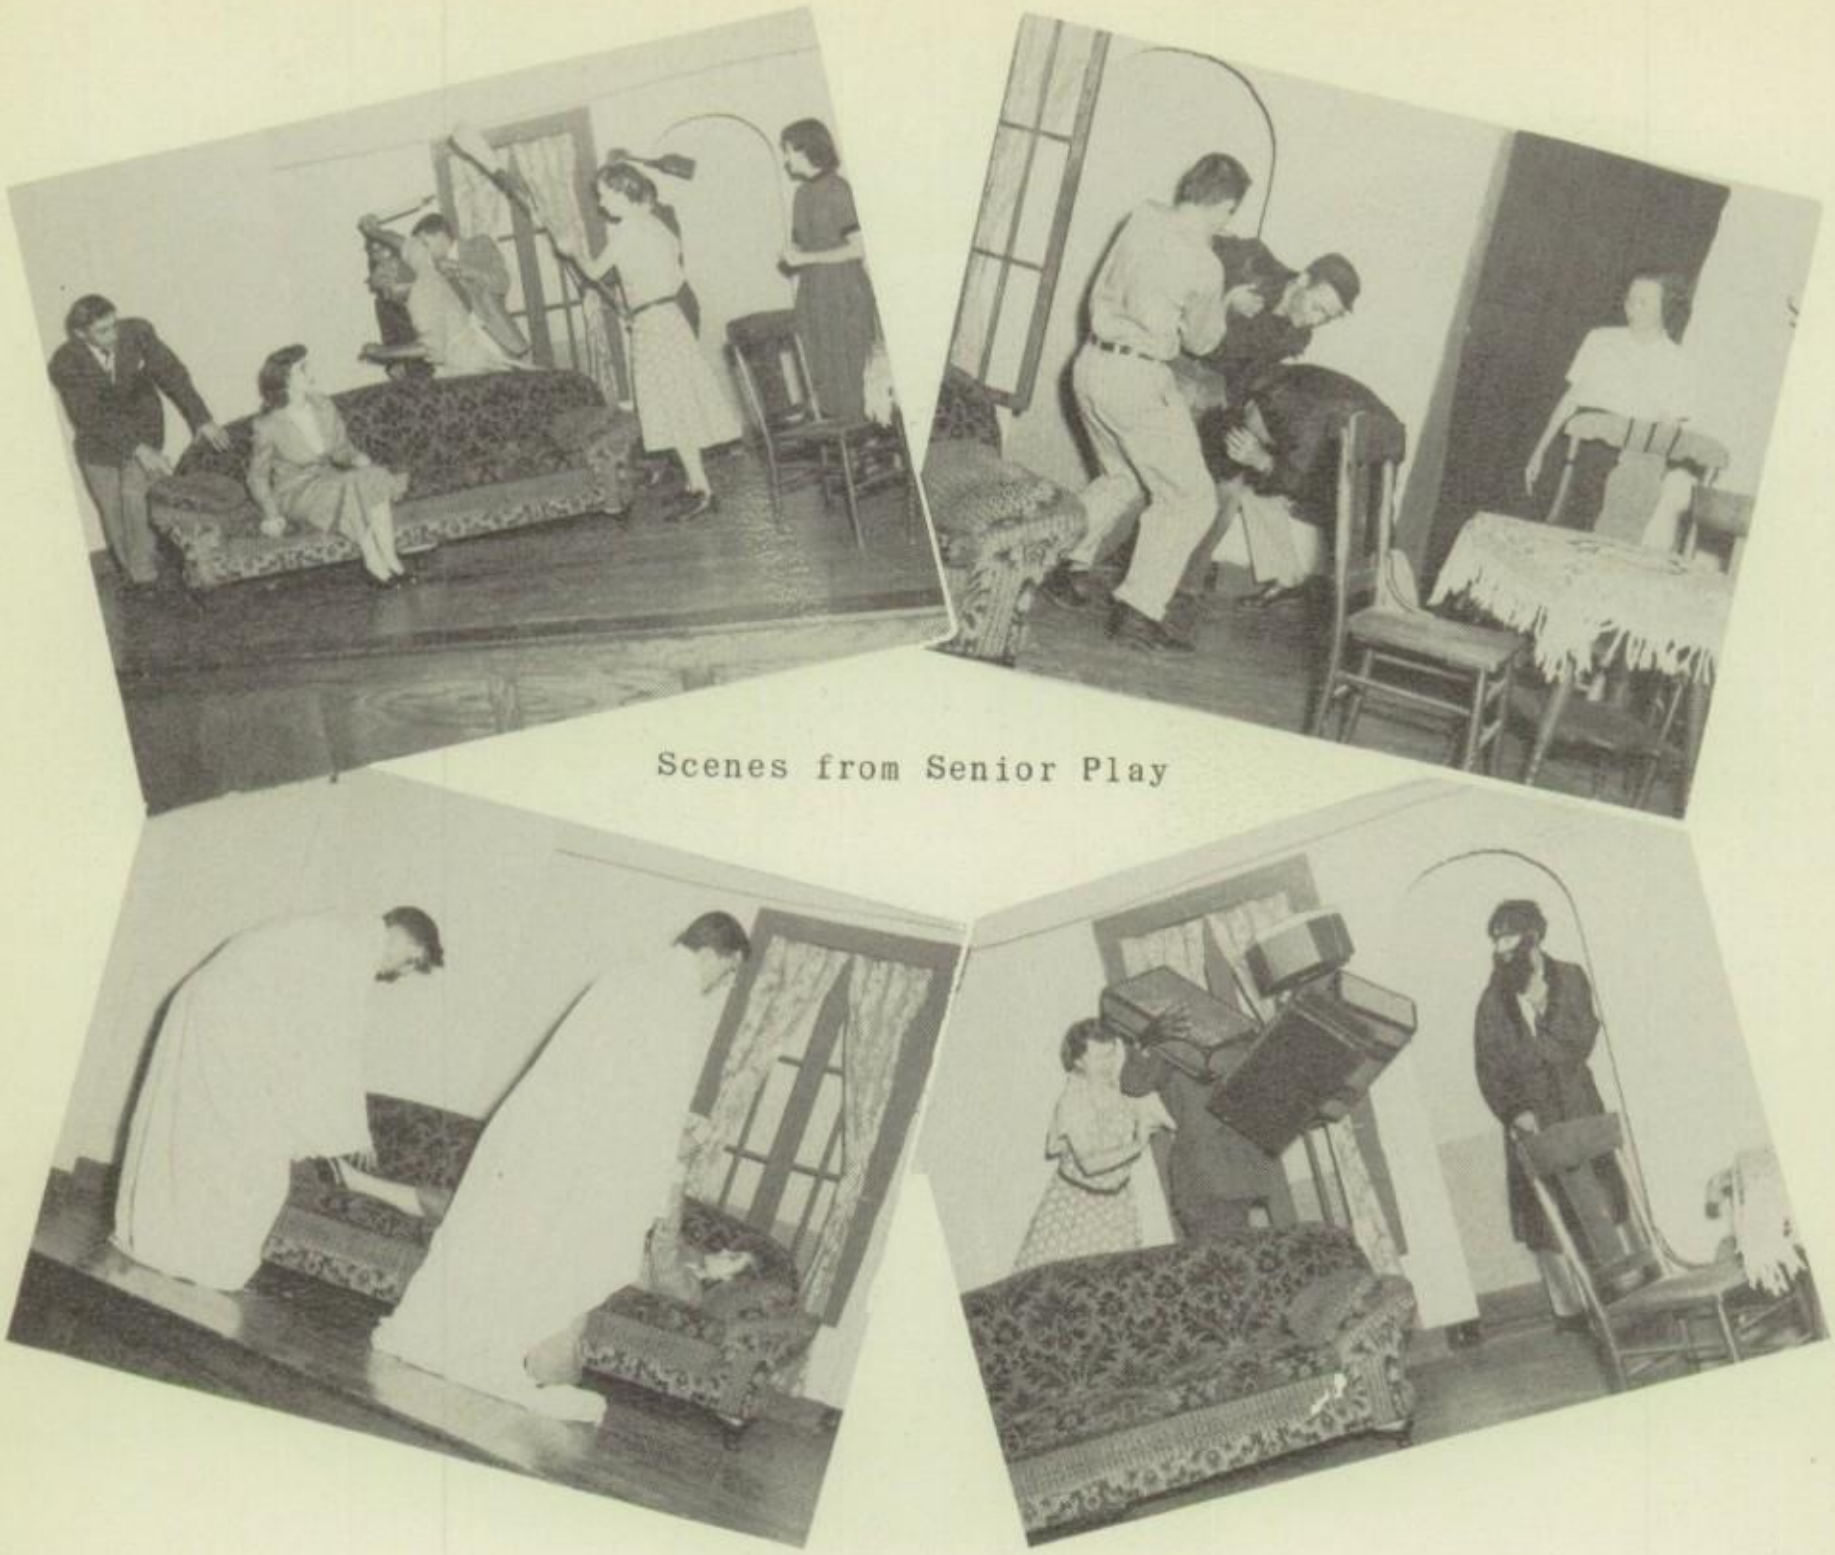
The play took place in an old house in the foothills of the Ozarks.

Mrs. Priscilla Carter was peeved because her two nieces had fallen in love with two "silly young nincompoops". She purchased the grim old Hobgood House and here she planned to stay with the girls until they had forgotten their lovers.

Everything was in a splutter for quite a while with ghosts cavorting around the house and Bluebeard Bronson with his vicious butcher's cleaver. The boys arrive in time to save the family from a desperate band of crooks and at this point, Mrs. Priscilla Carter has to agree to permit the young girls to marry the boys.



Scenes from Senior Play

Junior Class Play

The Junior Class presented a play, "A Pair of Country Kids" under the direction of Clive Markley, sponsor of the class on March 30, 1951.

At Joggins Junction Mrs. Starr conducts the Starr Hotel. Lucindy Appleby (Pat Ellet) looking for husband number 1; Susan Grimes (Dick Harshman) as

Harshman) also in the market for husband number 2, and Ambrose Sneggins (Tom Eichhorn) a veterinarian are the guests, and since guests are few, excitement prevailed when Mrs. Starr received a request for a reservation. Mr. A. Roomer (David Gilbert) the new guest, is ideal for Lucindy or Susan. Hi (Bob Milligan) a mischievous imp of eighteen, agrees to help both Lucindy and Susan win Mr. Roomer providing they pay him and thus help him to win Sis (Barbara Brickley) maid of all work at the hotel. Meanwhile, a newcomer, Arthur Roberts (John Siela) arrives to buy the hotel. Philip West (Jack McAfee) a young lawyer and the lover of Mrs. Starr's daughter (Bee Ann Wilburn), manages to show the property and sell it to Roberts. The property is sold and everything ends well with all concerned.

Since the play came late there could be no picture and this brief summary gives a few of the interesting things presented by the actors.

Patrol Boys

In the fall of '48, the menace of a highway past the school building which children often crossed was recognized. Accordingly, Mr. Reasoner, the principal, suggested patrol boys. They were organized with voluntary workers and they served a good purpose throughout the year. Each succeeding year volunteers have assumed the responsibility and taken their places at the highway during a part of the noon hour that pupils may cross in safety. The boys who have taken upon themselves this duty merit our gratitude. The group above are the boys serving during the year of 1950-51.

SOFTBALL

The Rockcreek softball team had a very successful season this year. They again came out on top the second year in a row to receive the title as "champs of 49-50". Last year a large trophy was to be given to the first team to win the title three times in succession. The school also received two smaller trophies to keep. The record for the year was eight wins and two losses. They are as follows:

Rockcreek	6	Chester	3	Rockcreek	13	Liberty 0

Varsity

The Varsity has added another good record to the sport's album at Rockcreek. Although they were surely lacking in height, they more than made up for it, with good team play and the will to win.

The Players have kept up the good name of Rockcreek for sportsmanship and although they were treated very rough because of their size, they were sportsmen-like in their conduct.

At the time of printing they had piled up a record of 10 wins and 5 losses. We believe them to be one of the best teams in the history of Rockcreek and that they have been a credit to the school.

Hoopingarner: Senior, was a consistent scorer and used his one-handed shot and weight for those drive-in shots, to be one of the top scorers.

Arnold: Senior, a very heady ball player and although short in height he used his one handed shot to become a top scorer.

Kinsey: Senior, was a great asset to get rebounds and used a one-handed shot to can his field goals.

Walmsley: Senior, was a good defensive man and rebounder. His pep was a great aid in keeping up the spirits of the team.

Gilbert: Junior, his ability to drive and score should be a great help next year.

Girod: Senior, also saw limited action but helped out in height and defense when needed.

Geiger: Senior, saw limited action, but was always ready with plenty of scrap when called upon.

Milligan: Junior, was our long-shot artist and used his speed and drive in stealing the ball from opponents.

Briner: Sophomore, has a great deal of drive and scoring punch and should help out for the next two years.

Eichhorn: Junior, was moved up in mid season and his height should prove valuable next year.

The record to date is:

Rockcreek	46	Lafayette Central	44		
Rockcreek	42	Hartford Twp.	59		
Rockcreek	40	Liberty Center	41

Second Team

Our second team has had a very impressive record so far this year, (at the time the annual went to press). They have had good team cooperation and have shown a great deal of school spirit while playing their games. They should be given considerable credit for their work because they have helped the first team in practive.

They participated in a four-way tourney the 16th of December in which they emerged runner-up after a hard fought battle.

The team is well molded together, and since they are the neucleus of the teams to come, they should post some good records.

Their record for the year is as follows:

Rockcreek 29	Lafayette	16	Rockcreek 29	Lancaster(Tourney)	34
Rockcreek 37	Hartford Twp.	22	Rockcreek 39	W. Rockcreek	37

Junior High

Although the Junior High Boys were lacking in experience this year, they have built up a good record along with the other teams. They have showed signs of developing into a well balanced, driving team and since they will be the teams to come, the future is very promising. At the time of printing they had a record of 8 wins and 5 losses. Much of their success should be credited to Mr. Markley, for his grand job of coaching and starting the boys off on the right foot.

Roger Buel and Georgean Thayer

Cheer Leaders

Two seniors were elected to the post of cheer leading this year. It was new to both of them and they did very well.

It was their job to keep up the good record of the school in clean athletic sportsmanship. They ably fulfilled their duties and were well liked and supported by the fans.
